“Hope and a Future”

Dear Parents and Carers,

This week we have had a busy time making the new Noah’s Ark display for the large board in the hall. The children have been creating the 3D animals and people which they then covered in many layers of paper mâché. We cannot wait to see the finished display! We are very grateful to Mrs Tate for giving up her time to come and help us.

On Monday 1st July, the children who have piano lessons will be holding an informal concert in the hall. The children will start rehearsing from 8am, ready for a 9am start. Please join us if you can!

We are also very much looking forward to Zoe Bear’s birthday party on Monday. We will be joined by all of the pupils and colleagues from Margaretting and Roxwell Schools, and it promises to be a fun-filled day. The children will be taking part in lots of party games. They will also be decorating biscuits and making birthday cards, as well as having a teddy bears’ picnic on the field. Don’t forget to bring your bear to school!

On Tuesday, pupils from Years 5 and 6 will be taking part in a football tournament against Roxwell and Margaretting. We are very grateful to Mr Sargeant for helping coach the children. Please do come along to Roxwell School to cheer Ford End on! The first match will be starting at 1pm promptly. Please note that the field at Roxwell is not attached to the school but is accessed via St Michael’s Drive.

On Wednesday of next week we have a repeat of the successful tennis event that we held last year, to mark the start of Wimbledon. We would be really grateful for donations of strawberries so that everyone can enjoy some, with cream of course! Please send strawberries in on Tuesday or Wednesday morning so we can wash and prepare them. Also on Wednesday, we have the new date for our All The Fun of the Fair stalls. Please send in some small coins so your child can take part in the games (no more than 50p please!). The children in Years 3-4 have worked hard planning their stalls and are very much looking forward to everyone joining in the fun.

It is such a busy time of year in school and we hope you all have a well-deserved restful weekend!

Mrs M Taylor (Exec. Headteacher, BA Hons, PGCE, NPQSL)
& Miss J Bailey (Head of School, BA Hons, PGCE, NPQSL).

Multiply Maths

Transition workshop for parents of children in Year 6

Want to support your child as they transition from Year 6 maths to secondary school Year 7?

Including an overview of the curriculum at Year 7, common challenges and concerns, strategies to support children and exploring useful resources.

Claim a £10 celebration voucher on completion of the course!

**Ford End C of E Primary School
Main Road, Ford End, Chelmsford, CM3 1LQ**

The transition course consists of one session:
18th July - 8.45am to 10.45am

Book your FREE place today! [Click here](#) to book online
Contact the school office or email: info@tiegr.org

Please consider signing up for this free maths course, for parents of children in Upper KS2, held in the school hall on 18th July.

You will receive a £10 Amazon voucher for taking part! It's a great way to be able to support your child at home with maths in Year 7.

MULTIPLY

The pupils in Year 6 really enjoyed their hands-on science lessons today from teachers at Chelmer Valley High School!
